Soft Wipe

Microfiber cloths in a cardboard box

APP for AD Soft Wipe is a practical microfibre cloth designed for everyday car cleaning and care. Its lightweight 200 g/m² construction makes it handy and easy to use, while the compact 30 x 30 cm size makes it easier to work on smaller parts, in hard-to-reach areas and during quick clean-ups inside and outside the vehicle.

The cardboard box also works as a dispenser – just like a tissue box, it lets you conveniently pull out cloths one at a time without opening the whole pack. This keeps the detailing workstation tidy and gives quick access to a cloth whenever it is needed.

ADVANTAGES:

- PRACTICAL DISPENSER – CLOTHS PULLED OUT ONE AT A TIME
- QUICK ACCESS TO A CLEAN CLOTH AT ANY TIME
- LIGHT, HANDY AND EASY TO USE
- HELPS KEEP THE WORKSTATION TIDY
- COMPACT SIZE, IDEAL FOR SMALLER PARTS
- FOR EVERYDAY INTERIOR AND EXTERIOR CAR CARE
