

# APP Klarlack Beta

Two-component Clear Acrylic clearcoat

APP No. 020210-020211, 020390-020393

APP Klarlack Beta - two-component clear acrylic varnish with enhanced scratch resistance and high gloss.

Designed for the repair of individual components as well as entire vehicles.

UV filters ensure the colour durability of the base varnish. Easy to apply and to polish.

## ADVANTAGES:

- + Very good curing time
- + Easy to apply
- + Very easy to polish
- + Possible to use not only in spray booths
- + Possible to regulate the structure with thinner
- + Good leveling
