

APP Smart Primer Spray

Insulating primer

APP No. 020590, 020591

APP Smart Primer Spray is a fast-drying, one-component insulating and high-build primer.

The primer adheres well to polyester putties, paint coatings, and bare metal. The primer is readily sandable. The topcoat applied to the primer develops excellent adhesion strength and stability.

The primer is intended for undercoating of minor sanded spots and for spot repair systems.

Benefits

 Very good insulator performance.

 Good adhesion to many different substrates.

 Short drying time

ADJUSTABLE SPRAY
