

APP Red Tape

Waterproof masking tape

APP No. 070251 - 070255

APP Red Tape is a top quality masking tape offered by APP. It has high heat resistance (110°C) and is waterproof. Flexible tape and strong adhesive provide excellent adhesion and easy adaptation to the wrapped shapes.

High moisture resistance gives the ability to work with water-based and conventional varnishes.

FEATURES:

Available width:
18, 24, 30, 36 and 48 mm.

Water resistant.

UV resistant.

Strong adhesive.

Temperature resistant to 110°C (230°F).

Surfaces:

LACQUERS
(VARNISH)

GLASS

PLASTICS

GUM

WOOD
