Finishing Polish with Protection

APP for AD Finish + Protect is a finishing polish designed to remove holograms, minor imperfections and marks left by previous polishing steps, while giving the surface exceptional smoothness and a deep gloss.

Thanks to its fillers, the polish optically masks micro-scratches and minor defects, delivering a perfectly refined finish. It is an excellent choice both as the final step of paint correction and for quickly refreshing the look of a surface.

ADVANTAGES:

- EFFECTIVELY REMOVES HOLOGRAMS AND MARKS FROM PREVIOUS POLISHING
- DESIGNED FOR THE FINAL STAGE OF PAINT CORRECTION
- DELIVERS HIGH GLOSS AND DEPTH OF COLOUR
- CONTAINS FILLERS THAT MASK MICRO-SCRATCHES AND MINOR DEFECTS
- LEAVES A SMOOTH, VISIBLY REFRESHED SURFACE
- IDEAL FOR MACHINE FINISHING
