## APP QUARTZ Q801

### Coarse-grained polishing paste

Coarse Paste is a highly efficient emulsion that removes car body scratches, refreshes surfaces and provides high gloss. For best effects use of QUARTZ series polishing pad is recommended. Micro-scratches and holograms resulted from polishing of dark coloured surfaces may be eliminated with APP QUARTZ Q802 All Purpose Paste.

## QUICK ELIMINATION OF:

- deep scratches,
- holograms,
- "peel appearance",
- inclusion and run.
