

RUPES Big Foot

Polishing sponges D-A COARSE / FINE / ULTRAFINE

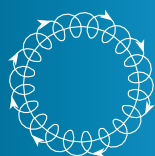

APP No. 081541-081549, 081560-081563

RUPES Big Foot - The new RUPES D-A sponge range offers increased performance, versatility and user comfort.

Developed specifically to work effectively with the new D-A polishes, these innovative sponges feature a proprietary foam formula and patented edge shape that has been tested and optimized for use with both planetary and oscillating-rotary polishers.

The reduced pad height, combined with all-new foam materials, optimizes energy transfer from the polisher to the polished surface for more efficient defect removal and a higher quality finish.

The edge construction has been designed to ensure safe working near edges. In addition, the new profile improves consistency of movement over curves and contours, reducing sponge distortion.

RUPES D-A polishing sponges are designed for use with Dual Action planetary and oscillating-rotary polishing machines.

RUPES Big Foot

Polishing sponges D-A COARSE / FINE / ULTRAFINE

Sponge D-A COARSE (hard - cutting)

is the most aggressive in the range. Compatible with both orbital polishers and planetary machines, the unique open cell foam material helps control heat while removing minor and major defects from most painted surfaces. The sponge material is optimized for use with RUPES D-A COARSE paste.

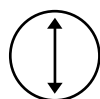

Sponge D-A FINE (soft)

is the most versatile sponge in the RUPES BigFoot range, providing effective defect removal and high-gloss finish options for most painted surfaces. It achieves the best results with RUPES D-A FINE Polishing Paste.

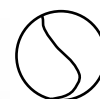

Sponge D-A ULTRAFINE (extra soft - finishing)

is designed for finishing and high-gloss polishing of haze-prone or very soft lacquered surfaces. It can also be used to apply waxes or other polymer finishing pastes such as UNO PROTECT. In combination with UNO PURE Ultrafine polishing paste, it brings out the highest gloss and depth of color. Leaving the surface clean and free from any fillers.

REDUCED
HEIGHT

NEW PATENTED DESIGN

REVISED
PROFILE

Each RUPES D-A sponge is individually packaged in high-quality new packaging that provides the best protection against dirt, dust, moisture and all environmental factors. Color-coded packaging helps identify the recommended polishing compound combination.

APP No.	Product name	Type	Color	Velcro/sponge diameter	Thickness	Quantity
081541	RUPES Big Foot D-A ULTRAFINE - Polishing sponge	Very soft	White	150/180 mm	20 mm	1 piece
081542	RUPES Big Foot D-A FINE - Polishing sponge	Soft	Yellow			1 piece
081543	RUPES Big Foot D-A COARSE - Polishing sponge	Hard	Blue			1 piece
081544	RUPES Big Foot D-A ULTRAFINE - Polishing sponge	Very soft	White	130/150 mm	15 mm	1 piece
081545	RUPES Big Foot D-A FINE - Polishing sponge	Soft	Yellow			1 piece
081546	RUPES Big Foot D-A COARSE - Polishing sponge	Hard	Blue			1 piece
081547	RUPES Big Foot D-A ULTRAFINE - Polishing sponge	Very soft	White	80/100 mm	10 mm	1 piece
081548	RUPES Big Foot D-A FINE - Polishing sponge	Soft	Yellow			1 piece
081549	RUPES Big Foot D-A COARSE - Polishing sponge	Hard	Blue			1 piece
081560	Rupes Big Foot D-A COARSE - Polishing sponge	Hard	Blue	30/45 mm	10 mm	1 piece
081561	Rupes Big Foot D-A FINE - Polishing sponge	Soft	Yellow			1 piece
081562	Rupes Big Foot D-A COARSE - Polishing sponge	Hard	Blue	50/65 mm	10 mm	1 piece
081563	Rupes Big Foot D-A FINE - Polishing sponge	Soft	Yellow			1 piece
