

APP No. 090411

APP Classic CT

Two-layer technical cloth

APP Classic CT – is a two-layer technical cloth, made of 100% high-quality pure cellulose, low-dust, with increased mechanical strength. Very fast absorption of all liquids of different consistency. Perforation allows you to tear sections of equal length (25cm).

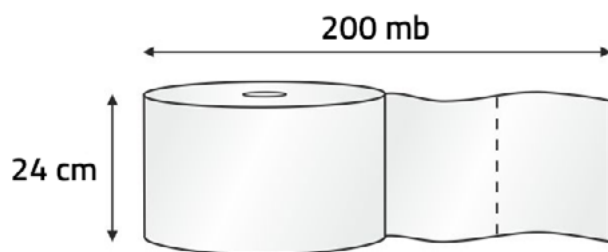

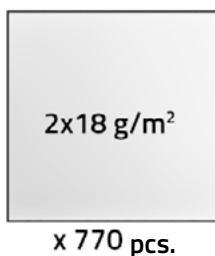

The APP Classic CT technical cloth is intended for cleaning that requires high accuracy. Does not leave streaks or scratches on the surface.

100% CELLULOSE

ADVANTAGES:

- Does not leave streaks
- High flexibility
- Low dust
