

APP QUARTZ Q910 Extra Strong

Disposable nitrile gloves, long

APP No. 090651 - 090654

APP QUARTZ Q910 Extra Strong are disposable nitrile gloves with increased thickness (6mils = 2x thicker than ordinary nitrile gloves). They provide the highest quality and maximum protection against chemical and mechanical agents, with full comfort of use. Disposable, powder-free gloves made of 100% nitrile so they hinder the transfer of chemicals, do not cause skin irritation and reduce the risk of food contamination.

APP nitrile gloves do not contain latex, silicone, waxes, are ambidextrous, non-sterile and odorless. Nitrile gloves are more chemically resistant than latex or vinyl.
