

APP QUARTZ Q-GRIP

Disposable nitrile gloves

APP Nr 090668, 090669

APP QUARTZ Q-GRIP - Nitrile gloves, with the thickest thickness on the market (8 mils), provide maximum protection against chemical and mechanical agents, with full comfort of use. Disposable, powder-free gloves made of 100% nitrile, thanks to which they impede the transmission of chemicals, do not cause skin irritation and reduce the risk of food contamination.

APP nitrile gloves do not contain latex, silicone, waxes and plasticizers, are ambidextrous, non-sterile and odorless.

The glove's three-dimensional diamond-textured construction provides excellent grip on tools and internal air circulation.
