

APP No. 110609

APP DS is a plastic applicator designed for the precise application of adhesives and sealants supplied in sachets.

Its precisely shaped outlet enables accurate dispensing exactly where the material is needed, helping to reduce product waste and prevent contamination of the surrounding area.

In addition, the simple assembly and disassembly of the nozzle make it easy to clean after use.

 Trim the nozzle to suit your application.

APP No.	Product name	Colour	Quantity
110609	APP DS - Foil pack nozzle	White	Pack of 5 pcs.
