Rally PRO Haftgrund Spray is a fast-drying primer made from modified synthetic resin, designed for professional use in industry and craftsmanship. It is intended for use under acrylic, polyurethane, and nitrocellulose paints. It provides excellent adhesion to polyester fillers, old paint coatings, and metal surfaces. Easy to sand, it enhances the adhesion, gloss, and durability of the topcoat. Suitable for use on metal, wood, concrete, stone, and other substrates. Ideal for both automotive repairs and general industrial applications.

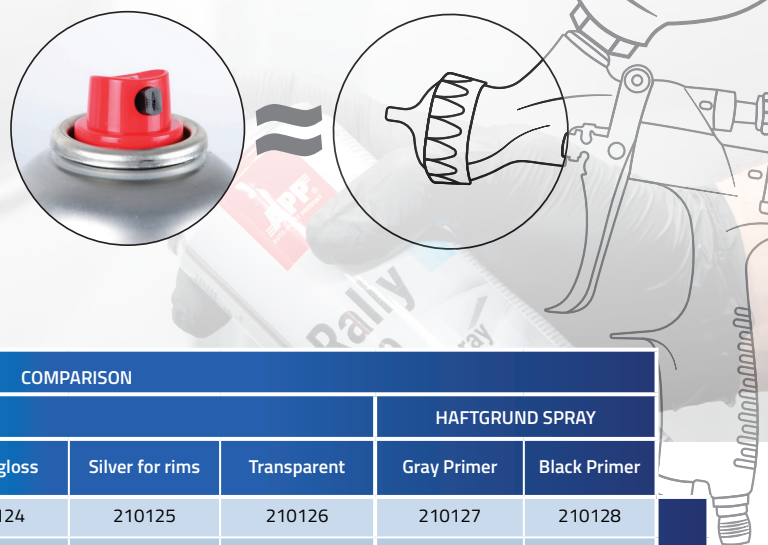

APP No.	Product name	Color	RAL Number	Volume	Bulk Packaging
