

LEATHER CLEANER PRO

Preparation for cleaning heavily soiled leather

A strong cleaner for smooth leather, varnished surfaces and plastics. Perfect for removing more demanding soiling. Ready-to-use and easy to use product. When applied evenly, the product does not leave spots or streaks. Highly effective and safe thanks to a mildly alkaline pH (8.9 - 9.5). The product is available in two capacities: 150 and 1000 ml. The packaging with a foam gun facilitates application and increases efficiency. For less demanding stains, we recommend using APP for AD Leather Cleaner.

ADVANTAGES:

- HIGHLY EFFECTIVE CLEANING PREPARATION
- DOES NOT LEAVE STAINS OR STREAKS
- VERSATILITY OF USE ON A VARIETY OF SURFACES
- HIGHLY EFFECTIVE DUE TO SLIGHTLY ALKALINE pH
