

APP PGC Brush

Round brush for cleaning spray guns

APP No. 250039

APP PGC Brush - Professional brush for cleaning paint spray guns - diameter 21.5 mm, wooden handle, no metal parts.

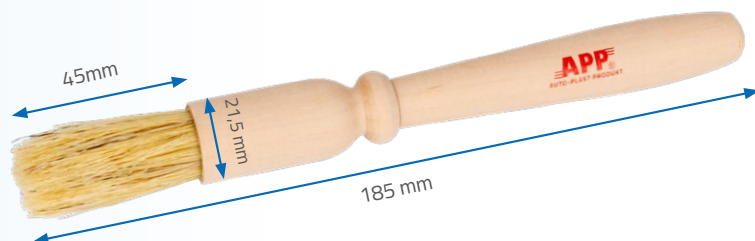

The lightweight, comfortable wooden handle and metal-free design eliminate the risk of damage and sparking.

Natural bristles precisely reach chambers and nozzles, removing paint and solvent residues, while the wooden, ergonomic handle ensures a comfortable and secure grip during long periods of work. The absence of metal parts in the design minimizes the risk of scratching the interior of the spray gun and eliminates the possibility of sparks — the brush is ideal for working with flammable materials.

APPLICATION:

- Cleaning paint spray guns
- Maintenance of workshop tools
- Cleaning airbrushes and small painting equipment
- Removing contaminants from plastic and aluminum parts
- Cleaning polishing and detailing equipment
- Use in the modeling and hobby industry

ADVANTAGES
