Waterproof abrasive paper

Waterproof abrasive paper – Waterproof abrasive paper for manual wet grinding, used in applications, where the highest quality of grinded surface is required.

ABRASIVE:

APP No. 170103

Paper rack

NTools M991 Stand

ADVANTAGES

USED SHARP GRAIN FROM THE SILICON CARBIDE ALLOWS FOR EXCEPTIONALLY SHARP SURFACE ABRASION

BINDER FROM THE SYNTHETIC RESINS ASSURES OPTIMAL PROTECTION FROM GRAIN LOSS

SPECIAL FLEXIBLE AND IMPREGNATED PAPER, resistant to damages, with the anti-slip structure, does not wind in water and does not require long soaking

UNIFORM GRAIN DISTRIBUTION AND CLOSED COATING

allow for uniform surface grinding, creating perfect substrate for the base and surface lacquers
