## Product Name: APP Modular Colour Inc.

APP Modular Colour Inc relates to colouring agent available in recipe set of **APP Modular Special Base System**. Thanks to Colour Inc additive you can obtain deeply intense colours of car and motorcycle body top coat.

Product and additives: APP Modular Colour Inc,  
APP Modular Special Base,  
APP 2K Acryl Verdunnung AVN.

Special additives: APP Modular Special Base 80-01 – base coat modular additive.

Basic components: APP Modular Colour Inc – resins varnish "dry" by evaporation of the solvent,  
APP 2K Acryl Verdunnung AVN- thinner of standard evaporation time.

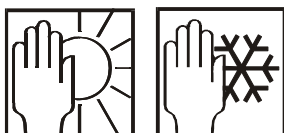

Colour:	Index	Name	Colour
	0260041	APP Modular Colour Inc 80-41	Red
	0260042	APP Modular Colour Inc 80-42	Orange
	0260043	APP Modular Colour Inc 80-43	Blue
	0260044	APP Modular Colour Inc 80-44	Yellow
	0260045	APP Modular Colour Inc 80-45	Brown
	0260046	APP Modular Colour Inc 80-46	Black

Cartridges of 500ml volume do not require mechanical mixing.

Use It is purposed for use as an additive to obtain the latest deep and intense colours in case of multi layer topcoating systems.

Tool cleaning: Nitrocellulose thinner.

### Storage:

Store in closed, original containers, in dry and well ventilated spaces.

Protect against freezing.

### Occupational safety:

Product for professional use only.

See: labels on containers and MSDS.

User shall follow locally and regionally applicable industrial safety regulations.

The above information is based on currently available data and knowledge on the product and its use. The information does not purport to be a description of product in terms of its quality, suitability for use in some conditions, nor does it guarantee any particular features. User shall follow instructions provided on label and MSDS. Producer is not responsible for any consequences and work effects that were influenced with factors beyond his control.
