TECHNICAL INFORMATION

Date of preparation: 30 September 2026

Date updated: 30 September 2026

Product name: Interior cleaner, APP for AD Interior Quick Detailer. APP No.: 220102

A gentle cleaning product for vehicle interiors. Highly effective and versatile, whilst remaining gentle. Safe for screens. Removes dust, light soiling and fingerprints. Leaves no streaks or greasy residue. Suitable for cleaning both small parts and larger surfaces, such as carpets.

Packaging:	500 ml
Main ingredients:	A mixture of chemical components with a mild pH of 9.
Colour:	Orange
Application:	A product designed for cleaning the surfaces of vehicle interior components made of plastic.
Properties:	A mild cleaning agent with a pH close to neutral.
Benefits:	Cleans effectively. Economical and easy to apply and wipe off. Suitable for use with cleaning guns. No rinsing required. Provided it is applied evenly and not allowed to dry without being wiped off, it does not cause stains or streaks.

Usage

Mixing ratio.	Ready-to-use product.
Instructions for use.	For light soiling – spray onto a dry microfibre cloth and wipe the surfaces to be cleaned. For hard-to-reach areas, the product can be used in cleaning spray guns. For heavier soiling – spray directly onto the surfaces, wait 1–2 minutes, then wipe with a dry microfibre cloth. If necessary, work the product in using a cleaning brush, a soft brush or a cleaning gun. Spread evenly in circular motions across the surface being cleaned. Do not allow the product to dry out completely. Remove the resulting dirt emulsion using a clean, dry microfibre cloth. Continue polishing until the surface is as dry and smooth as possible. There is no need to rinse off the product.
