Product name: Product for boneting and odour neutralisation, APP for AD Bonet Fresh. APP No.: 220108

A cleaning product for the regular care of vehicle interiors, whilst neutralising unpleasant odours. Cleans without the need for rinsing. Permanently eliminates unpleasant odours by oxidising odour molecules. Suitable for use on fabric upholstery, headliners and plastics.

Packaging:	500 ml
Main ingredients:	A mixture of surfactants with an alkaline pH of 12.
Colour:	Purple, transparent
Application:	The product is designed for cleaning the surfaces of vehicle interior components made of textiles and plastics.
Properties:	Cleans without streaks or smears, leaving a fresh scent in the vehicle's interior.
Benefits:	Cleans effectively. Economical and easy to apply and wipe off. No rinsing required. Provided it is applied evenly and not allowed to dry without being wiped off, it can remove stains and water marks. Neutralises odours without the need for an ozonator.

Usage

Mixing ratio.	Ready-to-use product.
Instructions for use.	For light soiling – spray onto a dry microfibre cloth and wipe the surfaces in one direction. Do not smear the dirt. Change the microfibre cloth frequently. For heavier soiling – spray directly onto the surfaces and leave for 2–4 minutes. If necessary, work the product in with a cleaning brush, a soft brush or a cleaning gun. Do not allow the product to dry out completely. Remove the resulting dirt emulsion using a clean, dry microfibre cloth. Continue polishing until the surface is as dry and smooth as possible. There is no need to rinse off the product.

Storage
