• RUPES LHR 75 Air Dual Action Mini Polisher

APP No. 131240

RUPES air mini polisher that is highly manoeuvrable and perfect for inaccessible areas. Thanks to 15mm stroke it eliminates holograms guaranteeing a perfect superficial finish.

Zalety:

- 15mm stroke
- Continuous speed adjustment
- Efficient drive and high revolutions speed
- Modern design and easy and precise operation
- Rotary air outlet that reduces noise
- Special design disc that minimizes overheating of the polished surface
- Transparent polycarbonate handle that ensured comfort of work and prevents cooling of handle with cold air

APP Index	131240
Stroke	15mm
RPM	0-11000 RPM
Working pressure	6bar
Maximum air consumption	320l/min.
Working disc	75mm (M6)
Weight	0.65kg

LHR Mini Polisher works with APP d75 sponges on Velcro:
APP No. 8080005, 8080010, 8080015

• RUPES LHR 150N Air Dual Action Polisher

APP No. 131250

Very light and handy air polisher with 10mm stroke, that significantly minimizes overheating and damage of the polished surface which may follow as a result of rotational polisher.

Thanks to 10mm stroke it is recommended for removal of scratches and holograms guaranteeing a perfect superficial finish, in particular on dark surfaces, in comparison to traditional polishing.

Features:

- 10mm stroke
- Continuous speed adjustment
- Works with 150mm sponges
- Double-hand handle
- Very light and handy
- Mounted 125mm Velcro backing disc.

APP Index	131250
Stroke	10mm
RPM	0-10000 RPM
Working pressure	6bar
Maximum air consumption	420l/min.
Working disc	125mm
Weight	1.185kg

LHR 150N Polisher works with APP d150 sponges on Velcro:
APP No. 080105, 080305, 080306, 080401, 080403, 080405.
