

## • NTools AS 15025 / AS 15050 Pneumatic grinding machine

The latest NTools AS 15025 and NTools AS 15050 grinding machines are professional tools intended for body and paint shops. They guarantee top power, assure high grinding performance and are light. It is possible to adjust rotations from 0 to 12000 RPM.

### CONVENIENT USE

NTools AS 150 is a perfect and reliable design. An ergonomic and rubber-like grip with special grooves assures perfect adhesion and strong grip as well as comfort during a long operation. A considerable advantage is very good balance of the machine thanks to which the grinding wheel and abrasive material are effective.

### TWO SIZE OF COUNTERBALANCE

APP No. 136025 Travel 2,5 mm is a perfect choice for finishing works. A small travel combined with high rotations assures top-quality finishing grinding. Suggested abrasive paper gradations from P320 to P3000.

#### AS 15025

APP No. 136050 Travel 5,0 mm is a perfect choice for minor grinding so that the surface is prepared for varnishing works. Suggested abrasive paper gradations from P150 to P240.

#### AS 15050

### NEW GRINDING WHEEL

New NTools SP 15015HM and SP15015HS grinding wheels, fixing 5/16", 15 holes, diameter 150 mm, high-stability Velcro and reliable opening spacing assure effective dust suction when grinding horizontal and vertical surfaces.

### The packaging includes as follows:

1. NTools AS 15025 or AS 15050 grinding machine
2. NTools SP 15015HM or SP 15015HS grinding wheel
3. APP ZL 2 air connector (pin  $\varnothing$  8mm with external thread  $\frac{1}{4}$ ")
4. Suction pipe
5. NTools PNT 30 pneumatic device oil
6. Grinding wheel fixing wrench
7. Manual with guarantee card (also in Polish)
