

# NTools FX4 PLUS

## Paint Spray Gun

APP No. 160643, 160644

The FX4 Plus lacquer spray gun is designed for finishing work using solvent-based and water-based lacquers. The spray gun is available with the LVMP spray system and in two nozzle sizes: 1.3 and 1.4. The lightweight and ergonomic forged body in anodised aluminium, the air valve coaxial with the pin, the nozzle and firing pin in stainless steel, the head in nickel-plated brass and the seals in solvent-resistant plastic guarantee the painter product durability and precision in use.

Cup resistant to chemicals used for spray painting with organic (solvent-based) and water-based products made of POM (polyoxymethylene).

LVMP aerosol formation technology provides:

- very good atomisation for metallic basecoats;
- maximum performance for UHS clearcoats;
- easy replication of the structure of factory clear and acrylic coatings;
- high speed application of acrylic and polyurethane lacquers;
- moderate air consumption.

Advantages of a coaxial air valve with a pin:

- + reduces the trigger force required to open the valve;
- + reduces body weight;
- + improves balance and ergonomics.

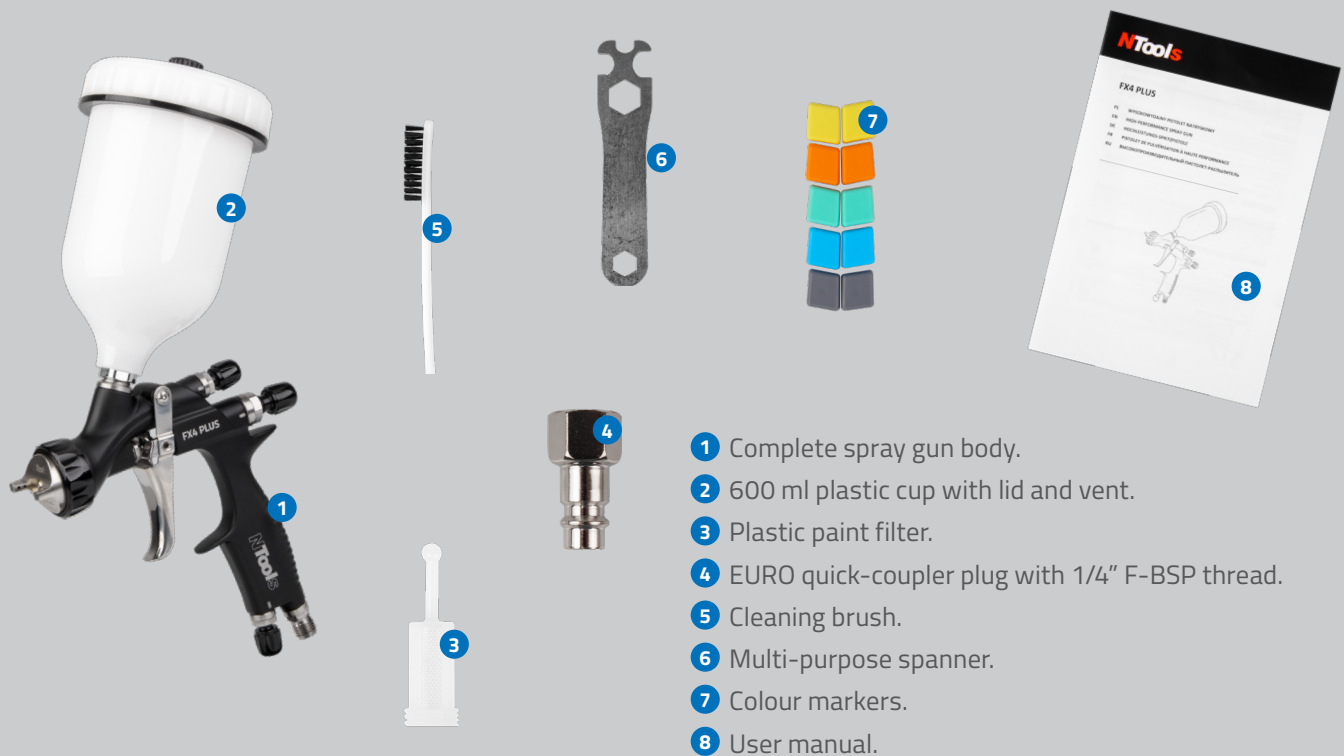

APP No.	Product name	Quantity
160643	NTools FX4 PLUS - Paint spray gun MP (LVMP)   top tank   d1,3	1 pcs
160644	NTools FX4 PLUS - Paint spray gun MP (LVMP)   top tank   d1,4	1 pcs

Technical data comparison:

Model	Paint supply type	Aerosol technology	Nozzle dimension (mm)	Jet length (mm)	Air consumption (l/mm)	Operating pressure (bar)	Weight (g)	Cup volume (ml)
 <b>FX4 PLUS</b>	Gravity	MP (LVMP)	1,3	300 (d1,3)	270	2,0-2,5	450	600
			1,4					
 <b>FX2 PLUS</b>	Gravity	HPS (LVMP)	1,2	280 (d1,3)	220	2,5	445	600
			1,3					
			1,7					
			1,9					

## PACKAGE CONTENTS

### Consumables:

389295	NTools MANO 10 - Air adjuster with pressure gauge   1/4" BSP thread		1 pcs
632036	NTools GGF 03 - Paint filter		10 pcs
633100	NTools ZOP 12 - Plastic cup for NTools FX3 Plus and FX4 PLUS   M16 x 1.5   600 ml		1 pcs
250772	APP FPS 02 - APP FPS system disposable paint cup adapter   NTools FX3 and FX4, Iwata W400   M16x1.5		1 pcs
389257	NTools ZL 1 - EURO quick-coupler plug with 1/4" female thread, brass		1 pcs
