

## • APP QUARTZ Q895 Car Interior Leather Care 2-in-1

**APP QUARTZ Q895** is car leather interior care and conditioner. It cleans and refreshes interior leather colour.

Formulation is based on lanolin (wool wax) and avocado oil to ensure deep refreshing effect and protection against leather drying.

Following application a leather is soft, elastic and resistant to damage. It provides a layer protecting against dust that imparts a silky gloss. **APP QUARTZ Q895** may be applied on soft leather of any colour.

### BENEFITS:

- Effective interior leather care;
- Cleans leather and refreshes colour;
- Protects against drying and dirt penetration;
- Imparts a silky gloss.

### USE:

1. Before application of APP QUARTZ Q895 firstly clean car leather with APP Inner Cleaner (APP No. 220106) and wait to allow drying.
2. Before application firstly shake a container and make a test on a hidden area.
3. Apply product with an applicator (APP No. 220216, 220217) or microfiber cloth (APP No. 080650) working well into the surface.
4. Wait ca. 10 min. and then wipe with a clean and dry microfiber cloth.
