Soft hair leather upholstery cleaning brush

The APP LB Medium is a soft hair brush for cleaning leather upholstery. It is dedicated for use on all types of leather surfaces. The brush with a 5 row hair spacing ensures thorough cleaning of surfaces while simultaneously protecting it against abrasions. It is excellent at removing dirt from pores, seam patterns, stitches, folds and creases which occur on the upholstery surfaces. The brush does not color the surfaces, and its synthetic hairs do not react with detergents used for cleaning and maintaining leather.

**Application:** cleaning of leather and textile upholstery, ceilings and other vehicle interior elements i.e. door sides, cockpit, etc.

**Advantages:**

- ergonomic shape, small size,
- does not scratch surfaces,
- very durable,
- resistant to detergents,
- soft synthetic hairs.
