

• NTools ZIP100 Nylon Band Clamp

NTools ZIP100 includes 13 products, namely band clamps of different size. Thanks to unique properties of NYLON 66, bands may be used in any conditions. Improved UV resistance and resistance to weather conditions enables both indoor and outdoor use.

Band clamp is provided with profiled end on one end and buckle on other. NTools ZIP100 is provided with the latch that offers strap adjustment and prevents accidental release. It is easy to wrap around and install without any tools.

Band clamps made from NYLON 66 make for perfect alternative to metal screw clamps. They offer resistance to extreme temperature from -35oC to 85oC and may be combined also. Usually used for strapping of electric cables, conduits, hoses etc.

Use:

- Strapping of cables, wires, conduits, hoses,
- Strapping advertising boards,
- Agriculture, fruit growing, seedling nursery, plant breeding,
- Food industry,
- Electronic and electrotechnical engineering industry,
- Construction industry, assembly works etc.
